

The FBC Kaufman Arts Academy was created over 15 years ago, with the goal to reach Kaufman County and the whole world for Christ, one changed life at a time, by raising up future worship leaders, musicians, and artists who will use their gifts to glorify God and draw others to Him. We are grateful you and your family are a part of this program! We offer guitar, piano, drum, and vocal lessons to students eager to learn. We welcome students of all ages and skill levels. Our focus is on students because our mission is to train students to serve the church. However, we offer music lessons to everyone, giving priority to students and members of our church.

Our team of talented and committed instructors has worked diligently to nurture and guide your child's musical abilities. From the early stages of learning the basics to the more intricate aspects of musical theory and expression, we've witnessed remarkable progress in every student. Beyond the technical aspects of music, our students have also learned valuable life skills such as discipline, patience, and the joy of perseverance. These qualities not only enhance their musical journey but also contribute to their overall personal growth.

We want to express our gratitude for your continued support. Your encouragement, involvement, and commitment to your child's musical education have played a pivotal role in their success. The partnership between parents and teachers is crucial, and we are fortunate to have such a supportive community.

Looking ahead, we are excited about the continued progress that awaits our students. We have some exciting plans lined up, and we can't wait to share them with you.
